

Aviva South East Regional SportsHall Final

Sunday 16th January 2011

Boys

The 15 athlete team was made up of 6 athletes from Reading AC, 2 from Maidenhead AC and 7 from Slough Junior AC.

They won 5 of the 8 track events and 1 of the field events; came second in 1 track event and 2 field events.

Overall the boys team won the event scoring 447 points, 26 points ahead of the team that came second.

This is the first time the county has won this event so it was not only a fantastic afternoon of SportsHall athletics but a great result.

Girls

The 15 athlete girls team was made up of 1 athlete from Maidenhead AC and 1 from Team Kennet , 7 from Reading AC and 6 from Slough Junior AC.

The girls won 2 of the track events and came second in another. They won 2 of the field events, were joint first in another and came second in a further 2.

Overall the girls scored 429 points to end the afternoon second, the winning team from Hampshire scoring 442 points.

This is the 4th time in the last 6 years that the girls have been placed 2nd so they have done the county proud.

Special mention should be made of the support that we had on the day from parents, brothers, sisters, cousins, aunts and other extended family members - it was vociferous, polite, educated, informed - wonderful. And also to the support we had from parents in officiating in the field events.
